

## **The 7th Memorial dedicated to The Trinity,**

**To celebrate Her Victory over the rebellion of Lucifer, was created  
Thursday October, 13th 2016 in Kolkata, in India.**

Session nr 19 of 13 October 2016 – English translation – Original Dutch.

19 people participate in this with me. They all received the "*activation of the Spirit receptive mind glands*" a few months ago and were prepared at high speed in order to be ready to participate in the two main events I had to undertake during my trip in India. A 'Memorial' consists of three regular '*Light Anchors*' which are situated not too far from each other. It always takes someone on the ground to create them. The creation of a '*Light Anchor*' goes very fast. The others helped with their creation from their homes by bilocation. These people were from three continents: Africa, Central America and Europe.

The **first** one was dedicated to **The Universal Father** and was created outside the main entrance of the St. Paul's Cathedral.

St Paul's Cathedral.

The **second** one was dedicated to the **Eternal Son-Mother** and was created in front of the Victoria Memorial.

**VICTORIA MEMORIAL**

The **third** one was dedicated to **The Infinite Spirit** and was created outside the walls of the huge Kali Temple in Dakshineswar (Kolkata) around the shrine below.

Immediately afterwards a **forth** one was created to Honor **The Supreme Being, OUR UNIVERSAL MOTHER.**

This one came as a surprise to me, because it was not planned. When I arrived on the spot it was so crowded that I couldn't enter this immense complex of that Kali Temple. I was then lead to the chapel above hoping that 'They' would bring the others there because I couldn't warn them anymore.

When it was over, I felt myself leaving with the entire group to the main courtyard of the complex of this temple, in fact to the initially agreed place. Everything was automatically and when this 'Light Anchor' exploded, I saw a huge, but a huge clear blue flame ascending up to the sky. It surprised me that I could see it with all that sun in my eyes. And then this feeling, that tremendous feeling of happiness which overwhelmed me.

It is only a few days later I got confirmation that it was in honor of the **Supreme Being, our beloved Universal Mother.** I figured, but I wasn't sure. She received a Grand Memorial of Jesus, here in Nabadon on our small planet. She can see it, be sure and it fills Her Heart with joy.

### **Temple of Dakshineswar – Kolkata.**

The 7 Memorials dedicated to **The Trinity** are in : Belize, France, Morocco, Serbia, Vietnam, USA (Georgia), India (Kolkata).

This is the confirmation that our planet has been recovered for **The Universal Father** by His **Paradise Creator Son – Christ Michael of Nabadon.**

## **JESUS AND MOTHER SPIRIT OF NEBADON**

Tell all of you:

**REJOICE BECAUSE  
IT IS ACCOMPLISHED.**

{Note Wivine : I had no time, even now, to bring forth a long message. It will only be in a week when I am back in Belize that I can start again to take new messages. Be assured that you will receive a great statement of Them because the Angels are singing in the Heavens and still are for this happy event.}
