Part 38 - 2011

Session of 4 August 2011 – recorded – English translation - Original French/ English

Place : Mezza Verde in Placencia, Belize.

Present : Cyril, B-Maya, E-Maya and Kathy.

Received by Kathy.

Visitors : Malvantra Melchizedek

Lanaforge, Planetary System Sovereign of Satania.

Malvantra spoke after 30 min

Total time meditation 48min.

Malvantra Melchizedek (*in English*): Hello my Maya kids, nice to have you back. This will be your last session of the season and I am glad you are both here. You did all very well in the Q/A sessions with the visible and the invisible ones. They thank you very much that you did this for them and accepted them around you. They are your friends now and could see you although you could not.

One day you will meet them in the hereafter and they will say: “Hello B-Maya., Hello E-Maya, we were at your sessions, remember?.....And thanks to you we could go on and follow the path of evolution of **Christ Michael**.

We will continue in the French language because the two others (*Cyril and Kathy*) need some guidance for their trips and there will be not enough time for Kathy to translate from English to French. If you don't mind?

It is **Lanaforge, the System Sovereign of Satania**, who replaced **Lucifer** that will speak to them. Later when they will come back of their travelling's they will show you pictures and explain everything they have lived and experienced there. You already saw a few pictures (*on internet*) of the places where they have to go and they are not nice. You saw that other cultures can do more horrible things than the Mayas did with their human sacrifices in ancient times.

These two will have to do an important job for us there. It would have been nice that you could join them but it is too difficult because you are too young and you will encounter difficulties to get a visa to leave your country for

Europe. One day both of you will travel too; in about 5 to 15 years you will travel a lot and in the meantime you can learn more English and Spanish so that you can talk to other people in their language. We push you a little bit for this because it takes a long time to learn a language.

You will have two months to re-read all the sessions and to learn from it. There is much wisdom in these sessions, much more than you ever can learn somewhere else. You have the truth of the words and the truth behind the words which is the truth that your soul will understand. It is your soul with the wisdom that you acquire here and now that will go to the **Mansion worlds** to continue her ascension to **The Father in Paradise**. Before you will meet The Father you will first meet **The Infinite Spirit** and the second personality of The **Trinity** you will meet will be **The Eternal Son** and then you will be able to meet **The Universal Father**, The Creator of All and be embraced by Him to become like Him....Perfect.

Goodbye my kids, here comes Lanaforge.

LANAFORGE (*in French*): Hello my friends, I am Lanaforge and are here with a few tips. Do from now on every day your meditations with your recorders so that we can communicate our messages as correctly as possible. Stay in touch with each other by email or telephone when you receive messages. You must not be afraid to get your Visa (*for Russia*). We arranged everything for everyone so that you all can reach the places where you need to go as soon as possible.

It would be of interest to us if you could go first to Germany and Austria before the Russian Islands. This will save time for all of you before you continue the second stage of your trip (*France and Spain*). Russia will be a beautiful discovery because nature is very beautiful there. You will meet those Russian people in their own country of which you have no idea how they live, and you'll see that they are absolutely no different from you. They feel happy, are more independent and cheerful than in the past.

We leave the plans for your second trip as they are for now and will notify you if we change your program during the time you will be separated between

Germany and France. Everything will depend on what will happen in Germany/Austria and Russia.

This is the reason why we would be very happy if you could do Germany and Austria before Russia. You will have more time to see what you need to see and visit those interesting towns and understand the issue and what is behind all this. Why these places were so conducive to bring forth this German (Hitler) and Russian (Lenin) dictator. As we said everything is not written in books and there are things that you only can discover on-site where people will whisper stories in your ear they never will write on paper. This is why it is still interesting to go on the sites.

Adamson will join you to show you the exact location to do your meditations for the Light Anchors, as well in Germany, Austria as Russia.

Arkhangelsk (*Russia*) has always been a very religious place and the Solovky Islands have always been Holy Islands. Arkhangelsk is under the patronage of the [Archangel Michael](#). It is the third position (*which forms the triangle of Archangel Michael*) with the two other "Saint Michael Mounts", the one in France and the one in England.

Saint Michael's Mount in

France – Mont Saint Michel!

Saint Michaels Mount U.K. (Cornwall)

Monastery Archangel Michael in Archangelsk which has been destroyed and is now in reconstruction.

The black lines are the triangle of Caligastia and the blue lines the triangle of Archangel Michael.

We are all with you and believe me everything will be alright. Everything will be perfect and each time you are together go in meditation so that we can communicate. Speak only French in Russia; they have no problems with the French. Still pay attention to what you say in your surroundings because the walls have ears. There you will do your meditations alone and in silence. We will try to communicate with you this way. Once you are back in Germany and you will spend a night together, we will do a little session between you two. Everything will depend on your opportunities. We will see how things will move on.

There are hundreds of thousands of souls blocked, if not millions, in this triangle of Caligastia and we will release them in Mauthausen and Dachau. They are all blocked in that triangle and we will help them and heal them of all the traumas they lived. It's amazing what humans can do to another human being especially when they are influenced by what you call the psychopathic dark forces.

Keep always in mind that wherever you go and with everything you will see, to feel and send the *Love of The Universal Father and the Mercy of The Eternal Son-Mother* everywhere you go. All of this needs a lot of LOVE to heal.

Never keep a thought of anger or vengeance in you, NEVER.

Have compassion with these beings that did so much evil because they did not know what they were doing and didn't understand. The souls of those who suffered will be so happy when we will be able to release them. Keep this in mind and in your heart. We are not going to tell you more.

Whenever you see and feel something that strikes or hurts you, send forth the *Love of The Universal Father and The Mercy of The Eternal Son-Mother* above it..... Immediately..... Send all the Love you have in your heart to all these horrible pictures, these objects, these houses and places that you'll visit.

That's all my children. I wish you "bon voyage" and I assure you that all will be well. Goodbye my children. I am with you and everyone is close to you. Good bye.

End.
