

Return Maya Cosmic Masters. Part 47 – 2011.

We started the first part of our trip in Germany on August 31, 2011.
France and Spain came afterwards.

Session of 31 August 2011 – recorded – Original French.

Place : M.V. in **Dachau, Germany.**

Present: Cyril, Charles, Kathy and Victor.

Received by Kathy

Visitor : Malvantra Melchizedek.

Malvantra spoke after 20 min meditation during which the Melchizedeks installed their Light anchor.

{Note Kathy **February 2014**: we started the morning in Ingolstadt and then drove down to Dachau. It was already past noon and Mauthausen was 300 km (200 miles) from Dachau and on top we had to cross the border of Austria... We thought to drive quietly until Austria and do Mauthausen the next day. This was our planning... but no.....!}

Ingolstadt, where we went in meditation for the reactivation of the 'holy place' of Adamson. This was the first time we meditated in a public place with people walking around us making noise. Very uncomfortable feeling.

Dachau, Catholic Church, where we have meditated so that the Melchizedeks could create their Light anchor. There are many churches of different religions from all countries in Dachau, but this one was the only one that was round and open.

Malvantra: Hello, this is Malvantra here. The creation of this Light anchor, this Merkabah that we connected to our "Light network" through you during your meditation succeeded. We also continued the encircuitment of your two new companions so that they receive the necessary capabilities to do the job they agreed to do for us. *{Kathy: Please note that these 2 people already had great energy capacities but were not accustomed to those heavy meditations that Cyril and I endured in Belize where much power crosses you in little time.}*

We ask you to go as fast as possible to Mauthausen. If you could still get there today and do what you need to do this would be best because the darkness is organizing to make things more difficult. Those who have time and who want to visit the city of Munich can do so afterwards. It is only of historical value and to better understand the things of the past which are not written in the books. But it is not necessary to do the job.

If you have time this evening or tomorrow morning after Mauthausen, try to put you in meditation so that we can speak and communicate some results we've already seen. You already could release at this moment more than a million of human souls imprisoned here in this egregor of fear for death and suffering, as well as other Life forms created by Lucifer and Caligastia and celestials who helped them. Others will follow; all those

who wanted to leave are gone and may continue their re-education and rehabilitation programs provided for them in other places we have created for this purpose. {*Kathy: souls and celestials have also free will*}.

You did a great job and we thank you and ask you to go as soon as possible to Mauthausen and try to do it today in order to give them the least possible chance to reorganize. Thank you very much my children.

Thank you for your courage and your willingness to help all mankind and all these beings that were stranded here. Goodbye my children, we expect you there. The session is finished.

END.
